The “[Hartwell Scholar Awards](#)” outlined below are exclusive for *future, current and former* professional licensure and certification students who have already completed or will complete a minimum of 12 units of Hartwell Quest (HQ) [Smart Courses](#). These scholarships work well with option 1 on the “[HQ Professionals PLUS](#)” page.

I. “Hartwell Scholar Awards” eligibility for FUTURE professional licensure or certification students:

- **FUTURE** professional licensure or certification students may receive a “Hartwell Scholar Award” of \$150 toward tuition for a professional licensure or certification program approved by HQ if they complete a minimum of 12 units from our [Smart Courses](#) prior to obtaining their approved professional licensure or certification. An additional award may be granted for students who complete another 12 units of study with Hartwell Quest, for a combined total of \$300.

Future students of a professional licensure or certification program approved by HQ may qualify for the above “Hartwell Scholar Awards” (totaling \$300) if they apply in writing by [contacting HQ](#) during their professional licensure or certification enrollment to grant us permission to verify their attendance and good standing with the approved program. Students have two (2) years to begin a professional licensure or certification program approved by HQ after the completion of the HQ online courses totaling 12 units or more to qualify.

II. “Hartwell Scholar Awards” eligibility for FORMER or CURRENT professional licensure or certification program students:

- **FORMER or CURRENT** students who have taken or are taking a professional licensure or certification program approved by HQ may receive a \$150 “Hartwell Scholar Award”

toward any 12-unit combination of [Smart Courses](#) during or after their approved professional licensure or certification enrollment. An additional scholarship may also be applied toward another 12 units in HQ courses, for a combined total of \$300 (over 24 units).

Former or current students who have earned or are earning a professional licensure or certification from a program approved by HQ may qualify for these “Hartwell Scholar Awards” if they apply in writing by [contacting HQ](#) during or after their professional licensure or certification program to grant permission to verify current or former status as a student in good standing with the approved program. Students may also ask HQ to retroactively approve the professional licensure or certification program they have been enrolled in if it hasn’t been pre-approved.

Please note the following:

- **In the case of future students planning to earn a professional license or certification:** upon qualification, the award(s) will be applied to your tuition at the onset of your enrollment in the approved program.
- **In the case of current or former professional licensure or certification students planning to enroll with HQ:** upon qualification, the award(s) will be applied to your HQ tuition if you 1) pay for an entire certificate or block of 12-unit courses up front or 2) pay for individual classes until you reach the 12-unit threshold for each scholarship to be applied.
- “[HQ Professionals PLUS](#)” students can either participate in the “Hartwell Scholar Awards” or the “[James Armistead Lafayette Awards](#)” listed on the [HQ Professionals PLUS Scholarships](#) page.
- Scholarship programs may not be “stacked.”
- These scholarships do not apply to HQ courses that have discounted tuition rates or other scholarships applied, such as concurrent classes for high schoolers, etc.
